Duppa is named after the original sole resident of the Bay and the first person to build a home here, Mr George Duppa. He was an Englishman who came to New Zealand in 1840 to make his fortune and in fact became the country's first "millionaire". We love the history of the name and have developed a version of Mr Duppa into the logo to keep the history alive.

The DUPPA 200 - 90% of all ingredients at Ohtel are sourced within 200km of Wellington.
We proudly support local produce.
